

Kelly Grosky Financial Assistance Program

Overview

The Canuck Stuff Volleyball Club will be able to offer limited financial assistance to families that require help to cover the cost of various volleyball programs through the Kelly Grosky Athlete Subsidy Fund. The fund is named after Kelly Grosky who was an important part of the Canuck and Volleydome coaching staff and embodied so many of the attributes embedded in our philosophy. Kelly passed away in November of 2014 and we are proud to name our subsidy program in his honor. Kelly strongly believed in his adage of "Everybody plays....Everybody wins"

The **Kelly Grosky Financial Assistance Program** is designed to offer support to those athletes who demonstrate that they have attained a certain degree of volleyball skill, have a positive and supportive attitude towards their fellow athletes and coaches but who also may require financial assistance to help them continue in their volleyball careers.

All monies awarded will go directly towards the volleyball program in which the athlete is registered, which may include club or recreational youth programs run by either the Volleydome or Canuck. In certain cases, athletes may also apply to the Kelly Grosky Subsidy fund for assistance for financial assistance with other expenses such as Provincial or National team programs that will help them continue in their volleyball careers.

The student athlete and parent will be required to complete an application form and provide a recent tax assessment for submission to the Canuck Stuff office. The applications will then be reviewed by a committee appointed by the Canuck Stuff Board of Directors. The board is responsible for allocating the funds at their discretion on a case by case basis subject to the amount of funds available at that time.
